

T2025 TIME FOR CHANGE: Traffic Safety for a Sustainable World –Final Program

Sunday - June 15, 2025

Time	Venue: Panorama Congress
2:00 PM – 6:30 PM	Registration
	Lustre Conference Room
	ICADTS Workshop
	Title: Cannabis and Driving: Unraveling the Science and Policy Impact
	Welcome & Introduction - 10 min
	Polls & discussion
	1. Impaired Driving: Insights from Research - 30 min ○ Epidemiological Evidence: Key statistics and trends on cannabis-related impaired driving. (<i>Jeff Brubacher</i>) - 15 min ○ Experimental Studies: Effects of cannabis on driving performance and cognitive function. (<i>Eef Theunissen</i>) - 15 min
	2. Risk Perception and Cannabis Use - 30 min ○ Risk perception, personality, and driving behavior (<i>Christine Wickens</i>) - 15 min ○ Recreational vs. Medical Users (<i>Thomas Arkell</i>) - 15 min
	Break 10 min (Catering Room)
	Welcome back
	Polls & discussion
	3. Detecting Cannabis-Induced Impairment: Impairment vs. Detection: Challenges in correlating THC levels with actual impairment. (<i>Luke Downey</i>) - 15 min
	4. Detecting Cannabis-Induced Impairment - 15 min ○ Impairment vs. Detection: Challenges in correlating THC levels with actual impairment. (<i>Luke Downey</i>) - 15 min
	5. Driving Change: The Role of Policies in Combating Impaired Driving - 45 min ○ Translating Research into Policy: How current research influences traffic safety regulations. (<i>Ryan Smith</i>) - 15 min ○ Impact of Recent Policy Changes: 1) Canada (<i>Ignacio José Nazif-Munoz</i>) 15 min; 2) Germany (<i>Anja Knöche</i>) - 15 min
	6. Panel discussion & closing remarks (All) - 15 min
3:00 PM – 6:00 PM	
6:30 PM – 9:15 PM	Sunset Ice Breaker and Get-Together (Only for Registered Attendees) Sunset Buffet Dinner and Social Networking Program - Panorama Room (Blue Room) Animation: Experience the vibrant Folkloric Dance Group of Acipreste, showcasing traditional costumes and Portugal's rich cultural heritage. This engaging performance highlights regional customs and serves as the perfect icebreaker, fostering interaction and connection among attendees.

I - Monday June 16, 2025 Morning (I)			
Time	Venue: Panorama Multiusos Congress		
8:30 AM	REGISTRATION & NETWORKING		
9:00 AM-9:45 AM	OPENING CEREMONY ICADTS T2025 (Blue Room)		
9:45 AM-10:30 AM	Panorama Room Invited Speaker Ms. Luciana Iorio Chair of the Global Forum for Road Traffic Safety / UNECE WP1 "Global Forum joint initiatives to create a culture of Risky Behavioural policies replicable across UN regions in the field of Drink Driving Behaviours." Chair: Tara Casanova Powell Co-chair: James C. Fell		
10:30 AM-11:00 AM	Coffee Break – and Sponsors Exhibition (Exhibition area and Meal Service Room)		
	Panorama Room (Blue Room)	Lustre Room (Yellow Room)	Auditório Room (Green Room)
11:00 AM-12:30 PM	Session 1: Symposia ID: 162 R Topic: 6 - Impaired Driving Prevention Strategies Symposia Title: Impaired driving and public health in the Canadian context Chair: Christine Wickens Co-chair: Brice Batomen Speaker 1: Nazif-Munoz, Ignacio <i>"Rethinking Road Safety Metrics: Cannabis Sales as a Methodological Proxy for Drug- and Alcohol-Related Collisions in Québec"</i> Speaker 2 : Colonna, Robert <i>"A Brief Smartphone Intervention to Reduce Cannabis-Impaired Driving Among Ontario Youth"</i> Speaker 3: Batomen, Brice <i>"Sociodemographic disparities in driving under influence of Cannabis in Ontario, Canada"</i> Speaker 4: Mamri, Asma <i>"Next-generation safe-ride programs: collaborating with ridesharing for greater accessibility"</i>	Session 2 - Chair: Denis Cusack Co – chair: Sjoerd Houwing Oral Presentations Topic: 1 - Current Trends in Alcohol and Drug Use among drivers and pedestrians ID: 21 R – 1 - Simmons, Sarah M and co-authors: <i>"Toward Developing Conceptual and Operational Definitions for DUI (Driving Under the Influence of Cannabis)/Department of Emergency Medicine, University of British Columbia Canada"</i> ID: 34 R – 2 - Moore, Christine and co-authors: <i>"Prevalence of Drugs and Alcohol Among Drivers of Passenger and Commercial Vehicles in the Yukon - 2024" / 9 Delta Analytical LLC Canada"</i> ID: 156 R - 3 - Watling, Hanna (co-author) on behalf of Armstrong, Kerry Ann, and co-authors: <i>"An examination of the characteristics of women who have been apprehended for drink or drug driving in Queensland, Australia"/University of the Sunshine Coast Australia"</i> ID: 173 R – 4 - Manning, Brooke, and co-authors: <i>"From AUDIT to Action: Exploring the Intersection of Alcohol Use & Dangerous Driving/Centre for Mental Health & Brian Sciences, Swinburne University of Technology Australia"</i>	Session 3 - Chair: Thomas Keller Co-chair: Stig Tore Bogstrand Oral Presentations Topic: 2 - Worldwide epidemiology and trends of DUI ID: 42R – 1 - Hertach, Patrizia and co-authors <i>"Prevalence and predictors of driving under the influence of alcohol in Switzerland: A mandatory roadside survey" / Swiss Council for Accident Prevention BFU Switzerland"</i> ID: 213R - 2 - Meesmann, Uta <i>"ESRA3 results on DUI of alcohol and drugs – international comparison of 39 countries" / Vias Institute Belgium"</i> ID: 215 R - 3 - Vinckenbosch, Frederick (co-author) on behalf of Boets, Sofie Clara An and co-authors <i>"Collecting key performance indicators for drink driving in Europe: from Baseline to Trendline" Vias Institute Belgium"</i> ID: 292 P or P - 4 - Restolho, José <i>"Drug Driving – An Overview"/Eurofins Forensic Services / UK Portugal"</i>
12:30 PM -2:00 PM	Lunch Break (Catering Service Room) /Poster session and Sponsors Exhibition		

II-Monday – June 16, 2025- Afternoon (I)			
Venue : Panorama Multiusos Congress			
	Panorama Room (Blue Room)	Lustre Room (Yellow Room)	Auditório Room (Green Room)
2:00 PM - 3:30 P M	Session 4 – Symposia ID: 167 P Topic: 1 - Current Trends in Alcohol and Drug Use among drivers and pedestrians Symposia Title: Cannabis and Driving: A Global Research Update and Reflections on Policy Progress Chair: Thomas Arkell- Swinburne University of Technology Australia Co-chair: Brendan Hughes- European Union Drugs Agency (EUDA) Speaker 1: Danielle McCartney “The driving behaviours of cannabis users in the Australian Capital Territory following decriminalization” Speaker 2: Milad Delavary “Impacts of Recreational Cannabis Legalization on Road Safety” Speaker 3: Anja Knoche “Cannabis legalization in Germany: effect on consumption behavior and driving.” Speaker 4: Jeff Brubacher “THC and Other Drugs in Injured Canadian Drivers - 2025 Update”.	Session 5 - Chair: Christine Wickens Co-chair: Evelyn Vingilis Oral Presentations Topic: 3 - Challenges in Detection and Prevention of alcohol and drug consumption ID: 204R – 1 – Manning, Brooke (co-author) on behalf of Aitken, Blair, and co-authors: “Hungover and Behind the Wheel: Public Attitudes and Incidence of Hangover-Impaired Driving in the Australian Capital Territory” / Centre for Mental Health & Brian Sciences, Swinburne University of Technology Australia ID:209R – 2 - Lin, Alen and co-authors: “Offence or Defence? – The Changing Climate of Illicit Drug Driving Prosecutions in New South Wales, Australia” / Parramatta Australia ID211R - 3 - Achermann Stürmer, Yvonne, and Mathias De Roeckn “Pilot Roadside Surveys on Drug-Impaired Driving in Belgium and Switzerland: Lessons learn” / Swiss Council for Accident Prevention/VIAS Institute Switzerland; Belgium ID219R – 4 - Berry, Jennifer L, on behalf of Lovestead, Tara M and co-authors. “Stability of THC Concentrations in Baseline Breath Samples from Regular Cannabis Users after Overnight Abstinence from Cannabis Use”/National Institute of Standards and Technology US ID 278R - 5- Jake Rattigan on behalf of Marcotte, Thomas D., and co-authors. “Law enforcement detection of cannabis use: Evaluation of the field sobriety tests”/ Center for Medicinal Cannabis Research (CMCR) US	Session 6 - Chair: Luciana Iorio Co-chair: Tara Casanova Powell Oral Presentations Topic: 13 - Education, Communication Strategies and Awareness and their impact on DWI ID: 502P - 1 –Martins, Maria do Carmo and co-authors “Enhancing Tractor Safety and Reducing Agricultural Crashes in Portugal: A Preventive Programme” / National Horticultural Technological Operations Center Portugal ID: 207R - 2 - Luke Downey and co-authors “Attitudes and behaviours towards driving under the influence of drugs: a multigroup analysis of non-drug users and people who use methamphetamine”/Centre for Mental Health and Brain Sciences, Swinburne University of Technology Australia ID: 294P -3 - Silva, Maria de Fátima Pereira on behalf of Costa, Isabel Maria Fonseca Pereira “Community-Led Efforts to Foster Safe Driving and Prevent Alcohol-Related Crashes at Celebrations: A Case Study from Alcobaca” / Inoutcister and Union of Parishes of Alcobaca and Vestiaria Portugal Topic 18 - DUI and Emerging Challenges for Medical Intervention ID:153 R – 4 - Lu, Jinky Leilanie Del Prado (co-author) on behalf of Chua, Sophia Francesca: “Length of Hospital Stay (LOS) with DUI among Vehicular Crash Patients Admitted to Major Tertiary Hospitals in the Philippines” / SOLAIR, University of the Philippines Diliman Philippines
3:30 PM - 3:45 PM	COFFEE BREAK (Catering Service Room) and Sponsors Exhibition		

III-Monday 16, 2025- Afternoon (II)			
Venue : Panorama Congress			
	Panorama Room (Blue Room)	Lustre Room (Yellow Room)	Auditório Room (Green Room)
3:45 PM - 5:15 P M	Presentation space: Not available Sponsors Exhibition	Session 7 - Symposia ID: 171 P or P Topic: 6 - Impaired Driving Prevention Strategies <i>Symposia Title: Preventative community-based interventions and remedial relicensing programs to reduce impaired driving: Do they work?</i> Chair: Marie Claude Ouimet Université de Sherbrooke (TBC) Co-chair: Christine Wickens Center for Addiction and Mental Health Speaker 1: Mamri, Asma <i>"Evaluation of a safe-ride program aimed at reducing alcohol-impaired driving crashes: A longitudinal study"</i> Speaker 2: Seyed Sepehr Hashemian <i>"Types of remedial licensing programs for impaired driving"</i> Speaker 3: Marie Claude Ouimet <i>"Objective and subjective measures of alcohol misuse in the prediction of recidivism"</i> Speaker 4: Christine Wickens: <i>"Remedial education for impaired drivers: Evaluating program delivery methods and exploring sex differences"</i>	Session 8- Chair: José Restolho Co- chair: Thomas Keller Oral Presentations Topic: 22 - Other alcohol and drug-related topics in traffic ID: 208P or P – 1 - van der Meulen, Peter and co-authors <i>"Dutch research agenda impaired driving" / Ministry of Infrastructure and Water Management Netherlands</i> ID:224R - 2 - Elias, Wafa <i>"Water-pipe smoking and traffic crashes: a hidden aspect of an emerging global epidemic" / Shamoon College of Engineering Israel</i> ID: 276R - 3 - Rattigan, Jake A. and co-authors <i>"Acute cannabis use and driving performance: Accuracy of pre-smoking drug effect expectations" / San Diego State University California US</i> ID: 277R- 4 - Mastropietro, Kyle F. and co-authors: <i>"Are there sex differences in cannabis-associated driving performance and subjective intoxication? The impact of controlling for recent cannabis use patterns and post-smoking blood THC concentrations"/ San Diego USA</i>
5:30 PM - 6:15 PM	Lustre Room Yellow Room Invited Speaker João Castel-Branco Goulão "Behavioral Change Through Harm Reduction: Lessons from Portugal's Drug Policy for Safer Roads" Chair: Flávio Pechansky Co-chair Denis Cusack		
6:30 PM - 7:30 PM	General Meeting of ICADTS Members- Auditório Room/Green Room		
7:30 PM-10:30 PM	Panorama Room/ Prestigious Welcome Reception Gala Dinner Hosted by the Mayor of Alcobaça (Panorama Room)		

IV-Tuesday 17, 2025 - Morning (I)			
9:00 AM-9:45 AM	Panorama Room Blue Room Invited Speaker Ms. Kristin Smith Global safety and mobility leader (Uber) " Empowering Safer Choices: How Uber Helps Prevent Drunk Driving and Builds a Culture of Responsibility" Chair: James Fell Co-chair: Eef Theunissen		
	Panorama Room (Blue Room)	Lustre Room (Yellow Room)	Auditório Room (Green Room)
9:50 AM-11:10 AM	Session 9 –Symposia ID: P or P 148 Topic 15: Pretrial services for DWI: Key Components & Best Practices worldwide Symposia Title: IDBIIIG Investigation on Impaired Driving Behavioral Interventions around the Globe - Mental Health and Co-occurring Disorders Chair: Tara Casanova Powell Association of Transportation Safety Information Professionals (ATSIP) Co-chair: Julie Seitz Impaired Driving Solutions - A Division of AllRise Speaker 1: Tara Casanova Powell Speaker 2: Seitz, Julie Impaired Driving Solutions - A Division of AllRise Speaker 3: Mark Stodola, American Probation and Parole Association (APPA)	Session 10 - Chair: Fátima Pereira da Silva Co-Chair: Luciana Iorio Topic: 9 - Checkpoints and other deterring methods ID: 197 R - 1 - Šeibokaitė, Laura and co-authors "Attitudes towards penalties for driving under the influence of alcohol" Vytautas Magnus University Kaunas, Lithuania ID: 202 R - 2 - Frith; William and co-authors "Cost-effective monitoring of drink driving using Police breath test data" / WSP New Zealand Topic 3 - Challenges in Detection and Prevention of alcohol and drug consumption ID: 290 R- 3 - Sacchi, Dario D. and co-authors: " Cannabis Consumption and Driving Impairment Assessment on a Closed Course" / California Department of Motor Vehicles US ID: 321 P- 4 -Ahmad Almheiri: "The Role of Dubai Police Forensic Science in Alcohol and Drug Detection on Roads" / Dubai police HQ Dubai	Session 11 - Chair: Eef Theunissen Co-Chair: Christine Wickens Topic: 8 - Requiring vehicle-integrated alcohol detection technology for convicted DWI offenders ID: 179 R - 1 - Cusack, Denis Anthony, and co-authors "The development of the alcohol ignition interlock programme and medical rehabilitation for drivers with alcohol use disorder in public health medicine and road safety." Forensic & Legal Medicine, Medical Bureau of Road Safety, University College Dublin, Ireland Topic: 17 - Toxicology and DWI ID: 210 R - 2 - Vinckenbosch, Frederick and co-authors: "Nitrous oxide; driving performance; recreational drug use; clinical trial; detection"/Maastricht University, Vias Institute The Netherlands Belgium Topic: 5 - Advancements, Innovations and Solutions on DWI ID: 168 R - 3 - Shiferaw, Brook and co-authors. "Beyond BAC threshold: Developing a real-time alcohol-induced impairment detection strategy"/Seeing Machines Limited / Fyshwick Australia ID: 189 R - 4 - Liu, Sara, and co-authors "The association between mental health, impulsivity, and sensation-seeking with recent drink-driving: Implications for post-offence management"/ Accident Research Centre, Monash University Victoria, Australia
11:10 AM-11:40 AM	COFFEE BREAK (Catering Service Room) and Sponsors Exhibition Coffee Break is kindly supported by 		

V-Tuesday 17, 2025- Morning (II)			
	Panorama Room (Blue Room)	Lustre Room (Yellow Room)	Auditório Room (Green Room)
11: 40 AM-1:10 P M	Session 12 –Symposia ID 473 Topic: 12 - DWI Challenges in Low- and Middle-Income Countries Symposia Title: Addressing Impaired Driving from Alcohol and Drug Use: Research and Policy Challenges in Latin America Chair: José Ignacio Nazif-Munoz Faculté de médecine et des sciences de la santé Université de Sherbrooke – Campus Longueuil/Canadá Speaker 1: Francisca Roman “Perceived Risk of Substance-Impaired Driving in Latin America: Trends, Policies, and Adolescent Perceptions”/ Department of Psychology, Universidad de La Frontera/Chile Speaker 2 : Speaker 4: Renzo Calderón “Perception of Alcohol Limits and Driving in Uruguay: The Impact of Non-Zero Legal Limits” and “Alcohol, Cannabis, and Fatal Road Traffic Crashes in Peru: Insights from Crash Reports and Police Records” / School of Public Health, Universidad Peruana Cayetano Heredia Peru Speaker 3: Salomon, Tomas “Alcohol, Cannabis, and Safety Device Use in Argentina: A Secondary Analysis of a Multicenter Study” / National Scientific and Technical Research Council Argentina	Session 13 - Chairs: Evelyn Vingilis Co-Chair: Frederick Vinckenbosch Topic 6 - Impaired Driving Prevention Strategies ID: 177 P -1- Dumschat, Eric Richard and co-authors, “Immediate Roadside Prohibitions – Using Today’s Tools to Create a Better Tomorrow” / MAAD Canada ID 180 P-2- Davey, Jeremy and co-authors, “A Case of Policy Creep: Medical marijuana and pressure on Australian roadside drug testing legislation and enforcement” / University of the Sunshine Coast Australia ID 183 R-3- Fitzharris, Michael and co-authors, “Managing the drug-driver: insights from Victoria’s (Australia) population roadside testing program” / Accident Research Centre, Monash University Australia ID-205 R- 4-Dawber, Alex Geoffrey, ‘I’ve only had a few, who doesn’t drink drive!’ Deconstructing the Kiwi drink driving ‘culture’./ Queensland University of Technology Australia	Session 14 - Chair: Kelly Armstrong Co-Chair: Peter Frazer Topic 10 - Drug Testing Technology ID: 172 R - 1- Berry, Jennifer L. and co-authors, “Detection of cannabinoids in breath after cannabis-infused edible consumption with two breath collection devices”/ National Institute of Standards and Technology Colorado, US ID:200 R - 2- Wolff, Mark and co-authors, “Toxiter: A Rapid, Non-Invasive Technology for Objective Assessment and Quantification of THC-Induced Functional Impairment” / Maryland USA Topic: 11 - Technology Saving Lives ID293 P or P - 3 - Silva, Maria de Fátima Pereira/Kristin Kingsley and Co-authors, “A Safer Future: Global Innovations in Preventing Drunk and Drugged Driving”/Automotive Coalition for Traffic Safety US/Portugal Topic: 17 - Toxicology and DWI ID:193R – 4-Ryan, Benjamin and Mathias De Roeck ““Fantasy” on NSW Roads – The Emergence of Gamma-hydroxybutyrate (GHB) as an Illicit Drug Commonly Detected in Impaired Drivers in NSW, Australia.”/NSW Police Force Australia
1:10 PM - 2:30 PM	Lunch Break (Catering Service Room) / Poster session and Sponsors Exhibition		

VI - Tuesday 17, 2025- Afternoon (I)			
Venue Reception: Panorama Congress			
Time	Panorama Room (Blue Room)	Lustre Room (Yellow Room)	Auditório Room (Green Room)
2:30 PM -4:00 P M	Session 15 –Symposia ID 175 P Topic: 17 Toxicology and DWI <i>Symposia Title: Road Safety Shift: The Impact of Brazil's Alcohol and Drug Control Policy for Drivers</i> Chair: David Duarte Lima - President of the IST-Brazilian Institute of Traffic Safety Brazilia Co-chair: Maria de Fátima Pereira da Silva / Polytechnique University of Coimbra Portugal Speaker 1: Francisco Garonce (TBC) "Enforcement Challenges and the Implementation of Toxicological Testing in BrCoazil" Speaker 2: Julyver Modesto "Legal Aspects and Regulatory Challenges in Alcohol and Drug Control for Drivers" Speaker 3: Patrícia Sandri "New Technologies for Detecting Psychoactive Substances in Traffic Safety".	Session 16 -Chairs: Flávio Pechansky Co-Chair: Kelly Armstrong Topic 19 - Responsible Alcohol Beverage Service Training ID: 298 R - 1- Fell, James Carlton and co-authors: " The Effectiveness of Responsible Beverage Service Training Programs: A Literature Review and Synthesis" / Senior Research Consultant US Topic 1- Current Trends in Alcohol and Drug Use among drivers and pedestrians ID: 216 R -2 - Smith, Ryan Christopher "Is There an Opportunity for Alcohol Policies to Address Cannabis-Impaired Driving?"/ National Transportation Safety Board US ID:181 P - 3- Houwing, Sjoerd "50 years of drink driving legislation in the Netherlands: Lessons from the past for effective measures in the future" / The Dutch Driver License Agency Netherlands ID:185 R - 4- Colonna, Robert and co-authors, "Establishing Youth's Risk Profiles for Driving Under the Influence of Cannabis" / Western University Canada	Session 17: Chairs: Frederick Vinckenbosch Co-Chair: Denis Cusack Topic 22 - Other alcohol and drug-related topics in traffic ID: 152R-1- Lu, Jinky Leilanie Del Prado and co-authors, "Drink Driving and its Effect on Fatalities and Injuries: A Study of Vehicular Crash Patient Charts in Major Trauma Hospitals in the Philippines" / National Institutes of Health, University of the Philippines Manila Philippines Topic: 4 - Lowering the BAC Limit for Driving ID: 174R - 2: Van der Berghe, Wouter "International differences in public support for zero tolerance for driving under the influence of alcohol" / Tilkon Research & Consulting Belgium ID: 510 R - 3 – Lijarcio, Ignacio and Co-authors "Drinking and Driving: Where is the limit? Evidence and new policies applied in Spain" / Institute on Traffic and Road Safety (INTRAS). Valencia University Spain Topic 14 - Post-Pandemic Challenges: impaired driving during and after COVID-19 ID: 226 R -4- Vingilis, Evelyn and co-authors "Traits, States or Behaviours: What Influenced Increased Driving after Alcohol or Cannabis Use during the COVID-19 Pandemic?" / Western University Ontario, Canada
4:00 PM - 4:30 PM	COFFEE BREAK (Catering Service Room) and Sponsors Exhibition		

VII- Tuesday 17, 2025- Afternoon (II)			
	Venue Reception: Panorama Congress		
	Panorama Room (Blue Room)	Lustre Room (Yellow Room)	Auditório Room (Green Room)
4:30 PM-6:00 P M	Session 18 –Symposia ID 155 R Topic 5- Advancements, Innovations, and Solutions on DWI <i>Symposia Title: Driver Monitoring Systems (DMS) for Impairment: Applications, Limitations, and Future Directions</i> Chair: Luke Downey / Swinburne University of Technology Melbourne, Australia Speaker 1: Ryan Smith / National Transportation Safety Board US Speaker 2: Brooke Manning / Swinburne University of Technology Melbourne, Australia Speaker 3: Timothy Brown / National Advanced Driving Simulator, University of Iowa US Speaker 4: Brook Shiferaw / Seeing Machines, ACT Australia	Session 19 - Chair: Eef Theunissen Co-Chair: Sjoerd Houwing Topic 1- Current Trends in Alcohol and Drug Use among drivers and pedestrians ID: 206 R - 1 - Tran, Jason and co-authors, “Illicit Benzodiazepine Trends in Impaired Driving Cases in New South Wales”/ New South Wales Police Force Parramatta, Australia ID:178 R - 2 - Eichelberger, Angela, “Prevalence of cannabis, alcohol, and simultaneous use among drivers in U.S. states with and without recreational cannabis laws” / Insurance Institute for Highway Safety US ID: 212 R - 3 - Forsman, Åsa and co-authors, “Driving under the influence of alcohol or drugs among young drivers of A-tractors, mopeds and moped cars” / The Swedish National Road and Transport Research Institute (VTI) Sweden ID: 217 R - 4 - van der Kint, Sander Thomas, “Development of a European methodology for national road safety performance indicators on driving under the influence of drugs – the Trendline approach” / SWOV-Institute for Road Safety Research The Netherlands	Session 20 - Chair: Kristin Kingsley Co-Chair: Stig Tore Bogstrand Topic 1- Current Trends in Alcohol and Drug Use among drivers and pedestrians ID: 285 R - 1 - Jamt, Ragnhild Elén Gjulem and co-authors, “Roadside survey of alcohol and drug use among Norwegian drivers in 2024–2025.” / Oslo University Hospital Norway ID:31 R - 2 - Palmiere, Cristian and co-authors, “Fitness-to-drive and cannabis-based medicine prescription: current legal issues in Switzerland laws”/CURML Geneva, Switzerland. ID: 287R -3 – Fell, James and co-authors, “Trends in Alcohol and Other Drug Involvement in Drivers on the Roads and in Crashes in the United States: 1982-2022”/ Senior Research Consultant US Topic: 15-Pretrial services for DWI: Key Components & Best Practices worldwide ID: 147 R –4 - Casanova Powell, Tara -“IDBIIIG Investigation on Impaired Driving Behavioral Interventions around the Globe - Mental Health and Co-occurring Disorders “/Association of Transportation Safety Information Professionals (ATSIP) US
7:00 PM	Bus Transportation (for Gala Dinner) / (Only for Registered Attendees for Gala Dinner)		
7:30 PM-midnight	T2025 - Gala Dinner and Awards Night: Honoring Excellence in Traffic Safety - Quinta das Carrascas (Only for Registered Attendees)		

VIII-Wednesday 18, 2025 – Morning (I)			
9:00 AM - 9:45 AM	Invited Speaker Peter Frazer President of Safer Australian Roads and Highways (SARAH). " Changing Behaviors: The Key to Tackling Drink and Drug Driving Effectively" Conference Main Room Chair: Denis Cusack Co-Chair: Frederick Vinckenbosch		
9:45 AM-10: 15 AM	COFFEE BREAK and Sponsor's Exhibition/ Meal Service Room		
	Panorama Room (Blue Room)	Lustre Room (Yellow Room)	Auditório Room (Green Room)
10:15 AM -11:45 AM	Session 21 - Symposia ID: 163R Topic: 2 - Worldwide epidemiology and trends of DUI Symposia Title: The ESRA approach to cross-national monitoring of DUI: Alcohol, Drugs and Medication Chair: Uta Meesmann Vias institute Co-chair: Gerald Furian (KFV) Speaker 1: Uta Meesmann "Key results of the ESRA3 thematic report on DUI of alcohol, drugs or medications" Vias institute Speaker 2: Milad Delavary "ESRA3 age differences with a focus on DUI" TIRF Speaker 3: Sander van der Kint "ESRA3 enforcement experiences and public support for policy measures against DUI" SWOV Speaker 4: Alain Areal "ESRA: A tool to support road safety policies in Portugal" PRP	Session 22 –Symposia ID: 249P Topic 7- Driver Alcohol Detection Systems Symposia Symposia Title: Innovative In-Vehicle Alcohol Detection Systems: Benefits and Challenges Chair: Maria de Fátima Pereira da Silva ACTS-Automotive Coalition for Traffic Safety US Co-Chair: Ryan Smith National Transportation Safety Board US Speaker 1: Bud Zaouk KEA Technologies US Speaker 2: Kristin Kingsley ACTS-Automotive Coalition for Traffic Safety – US Speaker 3: James Fell Senior Research Consultant /US Speaker 4: Tara Casanova Powell ATSIP - Association of Transportation Safety Information Professionals - US	Session 23 – Chair: Stig Tore Bogstrand Co-Chair: Evelyn Vingillis Topic: 7 - Driver Alcohol Detection Systems ID: 218R - 1 - Brown, Timothy Leo and co-authors "Detecting Alcohol Impaired Drivers: Promising Vision-Based Measures". Driving Safety Research Institute, University of Iowa US ID: 284R - 2 - Dunn, Naomi and co-authors, "Alcohol-Impaired Driving Detection: Assessing Driver State Prior to Vehicle Operation" / Virginia Tech Transportation Institute US Topic: 22 - Other alcohol and drug-related topics in traffic ID-281P or P – 3 - Guilherme, José Fernando, "Enhancing Road Safety in Large Fleets: Preventing Alcohol and Drug Impairment" / Segef Frotas - Segurança Gestão e Eficiência Portugal Topic: 1 - Current Trends in Alcohol and Drug Use among drivers and pedestrians ID-326 R – 4- Brown, Stephen W. and co-authores, "Trends in Alcohol and Drug Use Among Drivers in Canada"/ Traffic Injury Research Foundation Canada
12:00 AM-12:30AM	T2025: Time for Change- Traffic Safety for a Sustainable World: Final Remarks and Closing Ceremony		
12:30 AM-2:00 PM	Lunch Break (Catering Service Room) / Poster session and Sponsors Exhibition		
3:00-PM-5:30 PM	Alcobaça, Land of Passion - Social Program Overview Walking Tour Title: Alcobaça: A Journey Through Art, History, and Flavors
